SOMETHING’S MISSING

A Ministry **Mindset**

A Ministry Mindset is...

- NOT an action but it is **Expressed** in action
- a **Worldview** – a way of seeing all that happens in life
- a perspective that constantly focuses on the **Big** picture
= Others **First**; then me

A MINISTRY MINDSET...

1. ...is looking how to **Encourage** the Body
2. ...means **Freeing** others to do what God has called them to do.
3. ...means taking **Personal** responsibility for ministry.
4. ...means considering how this action/lack of action **Strengthens** /hurts the body.
5. ...means exercising gifts for **Others** not self.
6. ...means coordinating as a team for the sake of the individual – creating a “**hedge**”
7. ...means we **Share** the ministry.

SPIRITUAL WARFARE

The enemy of God uses **Deception**

A ministry mindset goes missing when we believe the **Lies**

Lie #1: It’s all about **Me!**

Battles & deceptive ideas... very often the lies are centered on the doctrine concerning **Ministry**.
